Congratulations to the 2024 graduating class of the University of California, Irvine! UCI Transportation is proud to support the graduates and their guests at the pinnacle of their collegiate careers. We understand the importance of Commencement, which is why we are committed to making traveling to and from the Commencement ceremonies a positive experience. To do this, we facilitate traffic patterns and coordinate parking locations to better accommodate the tens of thousands of graduates and guests who visit UCI during the four days of Commencement. Parking and roadways will be heavily impacted on these days, so we ask that you choose to commute sustainably by carpooling to Commencement if possible. Use this guide to ensure that your travel to and from UCI’s 2024 Commencement is as smooth as possible.

PARKING FOR COMMENCEMENT

Parking on the UCI campus is complimentary and no permits are needed during Commencement ceremony hours for graduates and their guests. You may use any parking space designated for the Commencement ceremony except those reserved for disabled parking, service vehicles, and vehicles with “X” permits. Plenty of parking is available with less than a 10-minute walk to the Bren Events Center. Inside this travel guide, you will find a map of recommended parking areas by ceremony and walking routes to the Bren Events Center. As with any large event, traffic congestion is expected, so guests should plan to arrive 90 minutes before the start of the ceremony. As you enter campus, our dedicated traffic directors and UCI event attendants will guide you to the best available parking.

Avoid the traffic! Arrive 90 minutes before your ceremony.  

CARPOOLING

We encourage you, your family, and guests to ride together when travelling to Commencement. Carpooling reduces gas costs, makes the commute quicker with the carpool lane, and is more fun with family and friends. Carpooling also makes parking less stressful and ensures that all family and guests arrive together. Choose carpooling as a more sustainable transportation option for Commencement!

DISABLED PARKING

There is no need to make advance arrangements with UCI Transportation for disabled parking or mobility assistance. Please display the placard upon arrival as this will assist our staff in directing you to the nearest designated parking area.

Mobility Assistance

Once parked, please notify a UCI Transportation staff member if you need assistance to the Bren Events Center. Our cart drivers will shuttle you to the Bren Events Center turnout. This service is limited to the disabled/mobility impaired and one family member.
