## SUSTAINABILITY EFFORTS

### Thank You, SCAQMD Coordinators

UCI Transportation has completed its annual employee commute survey as required by the South Coast Air Quality Management District (SCAQMD). In 2023, UCI recorded a 10% increase in sustainable travel during the survey week. Our campus continues its commitment to sustainability by exceeding SCAQMD mandates.

We would like to extend a special thanks to our Department Survey Coordinators who achieved a survey response rate of at least 50 employees: Evelyn Anderson, Yi-San Chang-Yen, Margaret Davis, Danielle Lemon, Shabnam Malek-Cazares, Allison Marks, Michelle Mendez, Bryanna Merda, and James Swendson.
