

Fall Traffic Update

Welcome back, Anteaters! As the 2014-15 academic year begins, traffic flow around the campus will increase, so give yourself extra time to get to campus. To minimize the impact on your commute, avoid left turns where possible and use secondary entrances to parking structures.

We endeavor to minimize traffic impacts and delays to your daily commute by stationing traffic directors at key on campus intersections. If you experience unexpected delays, please call (949) 824-2691. Thank you for your patience and cooperation in helping maintain a safe transition into this new school year.

Sustainability for UCI's All-Graduate Commencement

UCI Transportation was proud to be part of the All-Graduate Commencement on June 14, 2014, at Angel Stadium of Anaheim. To get a behind the scenes look at what it took to get UCI to Anaheim, please click the video below.

Coolest Schools: No. 1 in Transportation

UCI Transportation is proud to be recognized by Sierra magazine as the No. 1 "Coolest School" in the transportation category for the second year running. This recognition showcases how the university community embraces sustainable transportation to decrease both the number of cars on campus and the creation of harmful emissions. UCI placed No. 1 overall in its annual ranking of America's greenest colleges; it is the fifth consecutive year the campus has placed in the Sierra Club's top 10.

uciRIDEtoberfest: A Festival of Bikes

UCI Transportation is excited to present the first ever uciRIDEtoberfest: a festival of bikes, good food, and fun. Join us for the celebration on Tuesday, October 21, through Thursday, October 23, at Aldrich Hall Flagpoles, where you can race adultsized tricycles, buy used bikes, eat delicious German food, and win prize drawings. A free outdoor movie event showcasing the **Guardians of the Galaxy** will cap off the festivities at the ARC Fields on Friday, October 24. Visit bike.uci.edu for more information.

Emergency Gas Delivery

UCI Transportation now offers emergency gas delivery! We will provide a gallon of gas for any Anteater on campus who has run out of gas. Simply call (949) 824-VIPS (8477), and one of our trained members will come out and assist you.

As a reminder, our complimentary Motorist Assist Program also provides support if you need a jumpstart, lock yourself out of your car, or need tire sealant. To learn more about the services offered, visit: <http://www.parking.uci.edu/services/campus/vips.cfm>.

Summer Maintenance Program Completion

Thank you for your patience during our annual summer maintenance. In preparation for the new school year, our UCI Transportation maintenance crew slurry-sealed more than one million square feet of asphalt in 21 parking lots around campus. In addition, our crew replaced signage and trash bins, painted, and performed gate arm maintenance. Should you notice needed repairs in the field, please contact Dina Ochoa at (949) 824-0035.
