

# University Drive Widening Project

## ABOUT UNIVERSITY DRIVE WIDENING PROJECT

City of Irvine performed construction work on University Drive, between MacArthur Boulevard and Campus Drive, to reduce vehicular traffic congestion and improve safe traveling for bicyclists and pedestrians. University Drive was widened to add an extra traffic lane in each direction.

**COMPLETED  
SPRING 2020**

- ➔ Reduces traffic congestion for vehicles, bicycles and pedestrians
- ➔ Additional traffic lanes
- ➔ Better facilities for pedestrians and bicyclists
